## Welcome letter by the CEO of LC Publishing

I am very pleased to invite you to the third edition of **Legalcommunity Week** in Milan, which will take place from **10 to 14 June 2019**.

The Week is the global event for business and tax lawyers, general counsel, bankers and professionals from all over the world, and it takes place in Milan, turning our world-class city into the global capital for law and business for one week.

Legalcommunity Week is organized by LC Publishing Group and it brings together professionals of the legal, tax, in-house and finance communities in a week of meetings, conferences and entertainment events in Milan.

The Week includes more than 10 thematic conference sessions with over 80 speakers who discuss the challenges of the legal profession, changes in the market, professional innovations and international trends.

This year's focus will be **INNOVATION, ARTIFICIAL INTELLIGENCE** and **LEGAL TECH**.

I am proud of the success and enthusiasm that we received at the previous editions of the Week. And I am grateful to the City of Milan for its patronage in 2018 and to the 18 sponsors, 11 supporters and 5 media partners which have contributed to the exceptional growth of the Week's past editions. I believe that the 2019 edition will be an extraordinary event and, together with the LC Publishing Group team, we are confident that this will possibly be the best year yet.

Please use the Week to network and exchange thoughts about your experience. That is the spirit of the Week, to look in the same direction, to create the highest number of interactions and to foster collaboration among all the professionals, building and sharing knowledge. It's not a competition—there's only the common purpose that sharing and being united is better.

I look forward to the next edition and to welcoming you in Milan.

**Aldo Scaringella**
