Welcome letter by the CEO of LC Publishing

I am very pleased to invite you to the third edition of **Legalcommunity Week** in Milan, which will take place from **10 to 14 June 2019**.

The Week is the global event for business and tax lawyers, general counsel, bankers and professionals from all over the world, and it takes place in Milan, turning our world-class city into the global capital for law and business for one week.

Legalcommunity Week is organized by LC Publishing Group and it brings together professionals of the legal, tax, in-house and finance communities in a week of meetings, conferences and entertainment events in Milan.

The Week includes more than 10 thematic conference sessions with over 80 speakers who discuss the challenges of the legal profession, changes in the market, professional innovations and international trends.

This year's focus will be **INNOVATION, ARTIFICIAL INTELLIGENCE** and **LEGAL TECH**.

I am proud of the success and enthusiasm that we received at the previous editions of the Week. And I am grateful to the City of Milan for its patronage in 2018 and to the 18 sponsors, 11 supporters and 5 media partners which have contributed to the exceptional growth of the Week's past editions. I believe that the 2019 edition will be an extraordinary event and, together with the LC Publishing Group team, we are confident that this will possibly be the best year yet.

Please use the Week to network and exchange thoughts about your experience. That is the spirit of the Week, to look in the same direction, to create the highest number of interactions and to foster collaboration among all the professionals, building and sharing knowledge. It's not a competition—there's only the common purpose that sharing and being united is better.

I look forward to the next edition and to welcoming you in Milan.

Digital Titles and Brands

MAG is the first fortnightly online magazine dedicated to the Italian business community. In every issue, the most prominent lawyers, bankers, entrepreneurs and chefs reveal and comment on news and market trends. Inside you'll find:

- Interviews to Managing Directors, Lawyers, Bankers, Advisors, tax Experts and Chef;
- Sector Studies;
- Report and post-research interviews, awards and Events.

The first website of the group, launched in October 2011, Legalcommunity.it is aimed at business lawyers, tax consultants and accountants. Every day the website reports current and in-depth news from major companies and from the business lawyers' point of view.

Launched in May 2014, the site is aimed at bankers, private equity funds, real estate operators and asset management companies. For its contents, the magazine focuses on finance market, i.e., on transfers and new appointments, operations and related advisors, rather than on insights and analytical data on market trends. Financecommunity.it has achieved a spectacular growth in terms of number of readers and professionals taking part, giving their contribution.

Launched in May 2015, the digital title is aimed at business managers, HR managers, marketing managers, financial managers and top management. At content level, it focuses on lawyers who work in-house at companies and on the evolution of this group of professions in Italy.

Foodcommunity.it is the Group's website dedicated to the food & beverage sector, created in 2016. The portal aims to analyze the economic scenario, through the protagonists of the food and wine world in Italy and abroad. Great attention is devoted to Michelin starred chefs, to the opening of new restaurants, as well as to the moves of food companies, from multinationals to small producers. The world of food recounted with an economic approach, with the focus on the most important figures in the industry (Chef, high-end restaurants, small artisanal producers).

Digital Titles and Brands

Foodcommunitynews.com, launched in 2017, is the international portal dedicated to the development of the Italian food & beverage sector beyond Italy. Written in English, it provides news and insights on the internationalization of the realities and protagonists of the Made in Italy eno-gastronomic world.

The latest site (April 2018), InhousecommunityUS.com is the international magazine, in English, that covers legal and inhouse affairs in the United States, through experiences beyond Italy's borders to reach overseas destinations and all over the world.

LC Publishing Group, with its majority stake in Iberian Legal Group, also owns Iberian Lawyer, the printed and digital magazine and in-depth source of information for lawyers who advise international business interests in Spain and Portugal as well as the increasingly global interests of Iberian businesses in Latin America and Africa. Regular Iberian Lawyer networking events enable readers to meet and debate the strategic legal issues affecting their business interests.

LC Publishing Group, with its majority stake in Iberian Legal Group, owns The Latin American Lawyer, the printed and digital magazine proposing in-depth articles, reports and interviews which represents a bridge of communication for leading law firms and multinational clients in Latin America, Europe, the US and Africa. It is set to broadcast, communicate and educate through the provision of relevant market intelligence and content to international investors.

Unbuonavvocato.it, the first marketplace for the match between demand and supply for legal services to the consumer, with clear prices. Created in 2017, it aims at those who need to deal with a lawyer, even if it's merely to ask for an opinion by telephone. It is the website that allows you to quickly find the best closer lawyer, available at that time, at the best price; contacting him in real time or buying his advice at a pre-established price.
