Welcome letter by the CEO of LC Publishing and Iberian Legal Group

I am very pleased to invite you to the fourth edition of Legalcommunity Week in Milan, which will take place from 12 to 16 October 2020.

The Week is the global event for business and tax lawyers, general counsel, bankers and professionals from all over the world, and it takes place in Milan, turning our world-class city into the global capital for law and business for one week.

Legalcommunity Week is organized by LC Publishing Group and it brings together professionals of the legal, tax, in-house and business communities in a week of meetings, conferences and entertainment events in Milan.

The 2019 edition of the Legalcommunity Week included 28 thematic conference sessions, which were attended by more than 5000 people, with 120 speakers who discussed the challenges of the legal profession, changes in the market, professional innovations and international trends. During the event important topics such as “Innovation, intelligence and legal tech”, “Africa and the Middle East: business opportunities and the role of Italy” and “Conference on international M&A” were discussed.

Entertainment was one of the highlights of the Legalcommunity Week, with the Corporate run and the Corporate music contest, that opened and closed a total of seven events scheduled for the only 12th June.

This year’s focus will be **INNOVATION** and **INTERNATIONALIZATION**.

I am proud of the success and enthusiasm that we received at the previous editions of the Week. And I am grateful to the City of Milan for its patronage in 2019 and to the 43 partners and 14 supporters which have contributed to the exceptional growth of the Week’s past editions. I believe that the 2020 edition will be an extraordinary event and, together with the LC Publishing Group team, we are confident that this will possibly be the best year yet.

Please use the Week to network and exchange thoughts about your experience. That is the spirit of the Week, to look in the same direction, to create the highest number of interactions and to foster collaboration among all the professionals, building and sharing knowledge. It’s not a competition—there’s only the common purpose that sharing and being united is better.

I look forward to the next edition and to welcoming you in Milan.

The first website of the group, launched in October 2011, Legalcommunity.it is aimed at business lawyers, tax consultants and accountants. Every day the website reports current and in-depth news from major companies and from the business lawyers' point of view.

Launched in May 2015, the digital title is aimed at business managers, HR managers, marketing managers, financial managers and top management. At content level, it focuses on lawyers who work in-house at companies and on the evolution of this group of professions in Italy.

The latest site (April 2018), InhousecommunityUS.com is the international magazine, in English, that covers legal and inhouse affairs in the United States, through experiences beyond Italy's borders to reach overseas destinations and all over the world.

LC Publishing Group, with its majority stake in Iberian Legal Group, also owns Iberian Lawyer, the printed and digital magazine and in-depth source of information for lawyers who advise international business interests in Spain and Portugal as well as the increasingly global interests of Iberian businesses in Latin America and Africa. Regular Iberian Lawyer networking events enable readers to meet and debate the strategic legal issues affecting their business interests.

LC Publishing Group, with its majority stake in Iberian Legal Group, owns The Latin American Lawyer, the printed and digital magazine proposing in-depth articles, reports and interviews which represents a bridge of communication for leading law firms and multinational clients in Latin America, Europe, the US and Africa. It is set to broadcast, communicate and educate through the provision of relevant market intelligence and content to international investors.
